## **SunGard Acquires Mindwell**

**Stockholm – 7<sup>th</sup> October 2010** - SunGard today announced that it has acquired Swedish financial technology consulting services firm [Mindwell](#). The acquisition will strengthen SunGard's capital markets expertise in Sweden, Switzerland and the Netherlands. The acquisition, the terms of which were not disclosed, is not expected to have a material impact on SunGard's financial results.

Mindwell's strong domain knowledge of capital markets and familiarity with SunGard's Front Arena and other trading and risk management solutions will help SunGard offer a broader range of capital markets financial technology and business consulting services.

Per Olsson Ravn, chief executive officer of Mindwell, said, "As part of SunGard, we will be better positioned to deliver innovation and best practices to the global capital markets community. Together we will continue to develop our business consulting and systems integration and implementation capabilities."

Juerg Hunziker, president of SunGard's Adaptiv and Front Arena business unit, said, "Mindwell has a strong reputation for combining specialist systems expertise with capital markets domain knowledge. It has provided tangible benefits to capital markets organizations globally. The acquisition of Mindwell represents a milestone in our commitment to expanding the range of specialized skills and services we offer our customers around the world."

### **About SunGard's Front Arena**

SunGard Front Arena is a global capital markets solution that delivers position control across multiple asset classes and business lines. Integrating sales and distribution, trading and risk management, and settlement and accounting, Front Arena helps capital markets businesses around the world improve performance, transparency and automation.
